

## **COOKIES POLICY**

Cookies are files which are downloaded in your computer when you access to some web pages. The cookies allows the web page to stock up and recover data about navigation habits of the user or his device and depending the info contained in them and the way you handle your device can be used to recognize the user.

The browser memorizes the cookies in the hard drive only during the actual session using a minimum memory space and it doesn't harm your device. Cookies doesn't contain any kind of specific personal information and most of them are deleted once finished the browser session (these are called session cookies).

Most browsers accept cookies as standard and allows or forbids, trough the security adjustments, temporal or persistent cookies.

Without your agreement (activating cookies in your internet browser) Trim tangle will not store in the cookies the data you provided in the moment of your registration or the data obtained during the page load.

### **What kind of cookies this web page is using?**

Technical cookies: are those which allow the user the navigation trough a web page, platform or application and the use of different options or services integrated in them as, for example, traffic monitoring and data transmission or others like identifying a session, accessing restricted areas, using security measures during navigation, storing data for sound or video diffusion or sharing contents trough social media.

Customization cookies: Allow the user to access a service with some general predefined settings according to some criteria in the user device like the language, the type of browser used to access to the service or the regional configuration from where this service is being accessed.

Third Party cookies: The Trim Tangle web could use third party services (Google Analytics for example) which gather information for statistic purposes and about other services related with the website activity and another Internet services.

**The user expressly accepts, by the utilization of this Site, the management of the gathered information in the way and for the purposes we mentioned before.** And, also recognizes the possibility of reject the management of this data not allowing the use of cookies trough the proper

configuration options in his or her browser. The users must be aware that blocking this cookies could not allow them to enjoy the complete Website functionality.

You could accept, block or delete the cookies installed in your device through the configuration options of your installed web browser.
